TUITION BENEFITS PROGRAM

The Tuition Benefits Program provides educational benefits to help employees obtain a college degree, qualify for a promotion, update job skills, start a new career, or prepare for future state workforce needs.

Tuition Voucher – Covers tuition at over 150 participating colleges, universities, BOCES, and proprietary schools in New York State in lieu of payment from students.

Tuition Reimbursement – Provides tuition payments to students upon successful completion of coursework at accredited schools that do not accept vouchers.

Credit-By-Examination Fee Reimbursement – Provides unlimited reimbursement for credit-by-exam fees through CLEP, DSST, TECEP, and Excelsior College. These exam programs allow students to earn college credit for what they already know.

Certification & Licensure Examination Fee Reimbursement Program – Provides reimbursement for one certification or licensure examination fee up to a maximum of \$300.

Targeted Tuition Benefits – Used by NYS agencies or facilities and CSEA locals to meet the training needs for a particular position or title. The program supports agency or facility workforce development and succession planning needs.
