

**Do you or your employees need to refresh your reading,
writing, language, and math skills?**

Adult Education Basics

Giving you the power to understand, communicate, and achieve.

Why Should Employees Participate in this Intensive Immersion Basic Skills Program?

Results show that in a span of only 13 days,
participants are able to improve their:

- reading, writing, and math skills by a least one full grade level
- overall job performance
- employee morale and self-confidence

For more information about Adult Education Basics, visit:

www.nyscseapartnership.org

Course Offerings

- English for Speakers of Other Languages
- Enhance Your Skills: Reading, Writing, and Math Basics
- Essentials of Writing
- Fundamental Math Skills
- Reading Comprehension
- Test Assessing Secondary Completion (TASC) Preparation

Courses Designed for Adult Learners

Courses are held one day per week for 13 weeks. Employees receive an assessment of their learning styles, attend the *Learning for a Lifetime* workshop, and receive educational advisement to support their professional goals. All participants receive pre- and post-assessments and are placed in a course with multi-level students to create a supportive learning community and improve performance outcomes.

AEB Tuition Vouchers are Available

Employees may also use the Tuition Benefits Program to attend remedial, preparatory, high school equivalency, or ESOL courses offered by local educational providers.

Call (518) 486-7814 or (800) 253-4332 for areas outside the Capital Region.
