

Are you currently matriculated in an RN or LPN program?
Would you like additional tuition assistance?

If you are a CSEA-represented NYS employee, consider the:

Statewide Targeted Tuition Program for Nursing

The NYS & CSEA Partnership offers a special opportunity for CSEA-represented NYS employees who are matriculated in RN or LPN programs to receive additional tuition assistance through the Statewide Targeted Tuition Program for Nursing.

Currently, most CSEA-represented NYS employees are eligible to receive two tuition benefits per fiscal year.

The Statewide Targeted Tuition Program for Nursing allows eligible employees to receive up to two additional tuition benefits if they are matriculated in an RN or LPN program.
