

Welding

A **Statewide Targeted Tuition Program** for CSEA-represented New York State Operational Services Unit (OSU) and Division of Military and Naval Affairs (DMNA) Employees

Applications accepted from April 1, 2018 to March 31, 2019

What is It?

The Statewide Targeted Tuition Program for Welding provides tuition assistance to CSEA-represented New York State Operational Services Unit (OSU) and Division of Military and Naval Affairs (DMNA) employees who wish to take welding courses.

Who's Eligible?

CSEA-represented New York State Operational Services Unit (OSU) and Division of Military and Naval Affairs (DMNA) employees receiving a New York State paycheck when applying for this benefit are eligible.

How Many Targeted Tuition Benefits Can I Receive?

You can receive up to two targeted tuition benefits (vouchers **or** reimbursements) during this application period. A single targeted tuition benefit (voucher **or** reimbursement) can cover one non-credit welding course up to \$1,140 **or** one credit-bearing welding course, up to a maximum of four credits at the resident tuition per credit rate, not to exceed \$285 per credit. Two targeted tuition benefits (vouchers **or** tuition reimbursements) can be combined and used for one non-credit welding course that is more than \$1,140 or for one credit-bearing welding course that is more than four credits.

What Is Covered?

Only tuition is covered. Tuition costs in excess of the maximum provided are your responsibility. All fees and expenses, other than tuition, are also your responsibility.

Do I Need Supervisory Approval?

You do not need supervisory approval to **apply** for these benefits. Supervisory approval is required, however, to attend a course during work hours without charge to accruals. You do not need supervisory approval to attend a course scheduled during non-working hours.

Are Other Tuition Benefits Available?

Yes. All CSEA-represented New York State executive branch employees also have two standard tuition benefits available. Unlike the Statewide Targeted Tuition Program for Welding, standard tuition benefits do not have to be used specifically for welding courses. For more information about all of the tuition benefits available to you, visit www.nyscseapartnership.org/NYS-CSEA-Employees/TuitionBenefits.cfm or call (800) 253-4332.

How Does It Work?

The schools listed in this brochure all offer welding courses. These schools also participate in the Partnership's Tuition Benefits Program and have agreed to accept vouchers in lieu of payment from you

for course tuition. If you wish to attend a school that is not listed, you may apply for tuition reimbursement approval. If you are approved for tuition reimbursement, you will have to pay for each course, complete each course, and then provide a receipt and a completion certificate to be reimbursed directly.

How Do I Get Started?

Step 1: Find a welding course you wish to take that is in session sometime between April 1, 2018 and March 31, 2019. We suggest you contact one or more of the participating providers listed in this brochure and request a catalog or course schedule, or check the school's website to see available welding courses.

Step 2: Complete the application form that is provided in this brochure and either mail, fax, or email it to the Partnership. **Please submit two separate application forms if you are taking two welding courses or if your welding course exceeds \$1,140 or is more than four credits.**

Step 3: Receive your tuition benefit(s).

Step 4: Register for your course(s).

Step 5: If you receive a tuition voucher(s), give the voucher(s) to the school so the school can bill the Partnership directly for your course tuition. If you are approved for tuition reimbursement, pay for the course(s), complete the course(s), and follow the directions provided on the approval form(s) to submit required documentation to be reimbursed directly.

What If I Have More Questions?

If you have questions about the program, contact the Partnership at (518) 486-7814 or (800) 253-4332 or advisors@nysceapartnership.org.

Participating Voucher Schools

These schools have agreed to accept Partnership vouchers in lieu of payment from you. If you do not wish to pay the tuition for your welding course(s) and wait for reimbursement, attending a course at one of these schools is an excellent option.

Tuition Reimbursement

If you wish to attend a school that does not accept Partnership vouchers, or if you have already paid for your welding course(s), you can apply for tuition reimbursement approval. The school must be recognized as an accredited educational institution or proprietary school. **Please note that you do not have to complete your course before applying for your tuition benefit; however, you will not receive reimbursement until after you complete your course (exceptions may apply if courses are more than one year in length).**

If you receive reimbursement approval, you must follow the directions provided on the approval form(s) to submit the documentation required to be reimbursed directly **after** course completion; this documentation includes a copy of your receipt from the school detailing tuition charges and payments, sources of payments, and a copy of your transcript or grade report proving course completion. Reimbursement of tuition will then be mailed to you directly within 60 days.

You must complete your course to receive tuition reimbursement. The deadline to submit documentation for reimbursement is June 30, 2019. Please call the Partnership if you cannot provide the appropriate documentation by this date.

CSEA-REPRESENTED NEW YORK STATE OPERATIONAL SERVICES UNIT (OSU) AND DIVISION OF MILITARY AND NAVAL AFFAIRS (DMNA) EMPLOYEES STATEWIDE TARGETED TUITION PROGRAM FOR WELDING APPLICATION FORM

To be eligible to apply, you must be a NYS employee in the OSU or DMNA bargaining unit who has received a NYS paycheck at the time the application is received by the Partnership (after first paycheck and before last paycheck). Complete this form and mail it to the NYS & CSEA Partnership, Corporate Plaza East, Suite 502, 240 Washington Avenue Extension, Albany, NY 12203, or fax to (518) 486-1989, or email to tuitionapplications@nyscseapartnership.org. Call (518) 486-7814 or (800) 253-4332 if you have questions about any of the information requested. Please submit two separate application forms if you are taking more than one welding course, or if your welding course exceeds \$1,140 or is more than four credits. All applications must be received (not postmarked) by March 31, 2019.
